

CALIFORNIA 2006

A supplement to **Decanter** Magazine

WOULD YOU **GO NAKED?**

California wines have been criticised in some quarters as over the top. Yet US consumers - and critics - love the style. JANICE FUHRMAN asks whether a growing trend for letting the bare fruit speak for itself, rather than smothering it in oak and alcohol, will last

■ **Far Niente, Chardonnay**

2003 ★★★★★

Richer than most 'naked' styles,
but vibrant and fresh. Up to 2008.
