WHEN YOU THINK ABOUT WINE

AMERICAN **NEW RELEASES**

92 | Far Niente

2008 Oakville Napa Valley Cabernet Sauvignon

It takes a day of air for this wine to fill out its structure, following a leaner path than many of its contemporaries. While not overly rich, it is luxurious, more juicy than jammy, with scents of cedar cooling down the fruit. Complexity should continue to develop as the structure mellows with age, layering herbal scents of tobacco with anise, black olive and red currant in a firm, elegant balance. *Far Niente Winery, Oakville, CA*
